

Videoconferencing dates

In the following the dates, hours and the different partners are mentioned for the FIRST project intensive period. There are three fixed VC-sessions. If students want to have a VC-session on the other moments they will have to confirm this one session in advance.

The educational group would like to have feedback about who will provide the bridge and what the procedure will be by December 1.

The fixed videoconferences are sessions with a MEP. The place that is specified here, namely Strasbourg, will be confirmed, depending on the availability of the VC-studio in the EP, as well as the availability of the MEP. The Pegasus Foundation will be asked to give feedback on this issue before December 1.
